
ASSISI

A Pilgrimage, Not a Tour

April 21 through May 4, 2027

For 12 nights, Assisi becomes our home. We will walk its sacred streets, explore the lives of Saint Francis and Saint Clare, and make time for prayer, reflection, soul alignment and Akashic Records exploration.

Why Assisi Calls Us

Assisi offers a rare setting where sacred history surrounds daily life and gives spiritual practice room to deepen.

- **Francis and Clare**

  Walk through the places that shaped their lives, prayers and service.

- **Soul Exploration**
